THE PRINCIPAL'S MESSAGE

This is written just a few days following the celebration of V-E Day, an experience which will live long in the memories of those boys and girls now registered at Commercial High. However, with all the jubilation associated with this memorable day, each of us was conscious of a definite sadness as we recalled that this achievement cost this school alone the loss of twelve lives—twelve boys who had their entire future before them, but who, regardless of the risk involved, gallantly threw themselves into this titanic struggle in order that the rest of us might enjoy the freedom so long associated with our country.

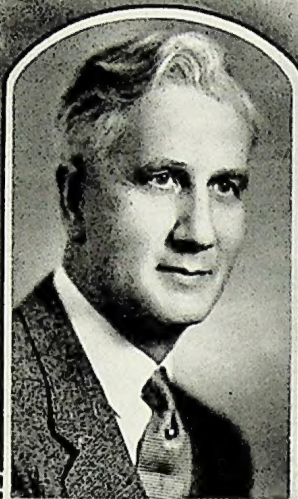

It is with a deep feeling of intense pride that we shall be able to point to an honor roll of more than 200 volunteers. We shall welcome the great majority of these young heroes when they return, but let us never forget those who will never return. Let us see to it that the sacrifice they have made has not been made in vain.

And so, to those of you who will leave in a few days as graduates of Commercial High, not only do I extend the congratulations and best wishes of the Staff, but I charge each of you to maintain the high ideals for which these gallant lads gave their lives. To you the torch is thrown; be yours to hold it high.

EDITORIAL

*"Life is a mirror for king and for slave,
'Tis just what you are and do,
Then give to the world the best you have,
And the best will come back to you."*

Time marches on and the 1944-45 school term will soon be ending. To some of us this will mean leaving school friends behind to go out into the sphere of business, while to others it will mean advancing to another grade and another year of study.

However, we shall all look back upon the many school functions with pleasant memories. The enjoyable times we had at Kris Kringle's Klomp and Jinx Jamboree, the theatre party, "Lits," sleigh-ride and social evening. The memories of these we will always carry with us and say to ourselves: "What a successful year it was for everyone." Although not all our time during the year could be spent enjoying ourselves we shall always remember classroom friends, teachers, discussions, and undoubtedly the time we spent in studying. Each student will have some incident or incidents, that will enable him to keep fresh in his mind the happenings during this term.

We, the students of Commercial, are proud to attend a school where the former students have built up a nation-wide tradition. To those of us who will be graduating our aim will be to uphold this fine record; to those we leave behind may this also be their goal. With untiring patience and guidance the teachers have prepared us for the business world. To them all we extend our thanks and best wishes.

I would like to take this opportunity to sincerely thank the teachers and the staff of this Grad Issue for their co-operation and untiring effort without which this book could not have been published.

In closing, may I say "Good Luck" to all who are graduating, to former graduates, and to future graduates of Commercial.

CHRONICLE

Front Row: Sherna Levine, Deby Taradash, Giadys Swartz, Cyrille Wetterley, Gladys Fuller, Silvia Robertson, Doris Slack.

Second Row: Del Hagerman, Gay Webster, Miriam Stochinsky, Edna Patterson, George Guild, Irene Ethridge, Lovise Marchant, Joann Wicklund, Marian McLaren.

Back Row: Raymond Dumaine, Ivy Welsh, Maurine McGregor, Jean McFarlane, Jean Buchan, Lyvda McMahon, Sandy Holmes.

During this term six monthly issues of the Chronicle have been published.

We of the Chronicle staff wish to thank you for your patronage and faithful support, without which we would not have been able to carry on. On some issues we made a small profit, on others we lost a little. However, the balance on our books shows that we made a slight over-all profit during the year.

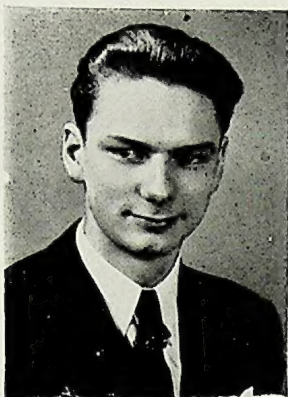

We also wish to thank the room representatives who did such a wonderful job and who, we are afraid, did not receive full recognition for the part they have played in making the paper a success.

We have tried to present an impartial view of all school problems during the year. We have also tried, and we hope succeeded, in giving full support to the Students' Union and club activities. If any club feels that it has not received its due recognition, we wish to assure it that such an oversight was unintentional.

To Mr. Page we say "Thank you," for his part in publishing these papers. When we made an error or slip in the newspaper copy, it was he who steered us back on the right path.

Our best wishes go to next year's staff. We hope they will have an even more successful year.

GEORGE GUILD and CYRILLE WETTERLEY
Editors, Commercial Chronicle.

VALEDICTORY

"To climb steep hills requires slow pace at first. . . . Great results cannot be achieved at once; and we must be satisfied to advance in life as we walk, step by step."

This quotation expresses the thoughts predominant in our minds as we graduate from high school and prepare to take up our individual careers. This new life we are about to enter offers unlimited opportunities to those who truly seek them. Our progress will depend solely upon the conscientiousness, concentration and continuity displayed by us individually.

No longer may we depend upon the tolerant guidance and assistance of our teachers. However, all of our difficulties and hardships will provide us with practical education—a pre-requisite of true success.

Though our skills and aptitudes may differ, there is a definite place for all of us. By diligent application to your task, whatever it may be, you will warrant the admiration of your associates and get ahead in the world. It is not the profession that honors the man, but the skill with which he practises it. Work faithfully and honestly and you will merit the respect and good wishes of all people, whereas laziness and dishonesty will only invite scorn and displeasure.

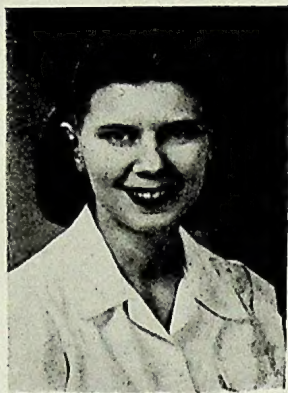

Undoubtedly we all recall and regret time and effort that we have failed to utilize to the fullest extent while in high school. Most of us have benefited from such mistakes and will refrain from repeating them when the consequences are much more bitter. Lost time can never be recovered, and effort, once wasted, can never be utilized.

We, the graduates of 1945, probably face the most difficult period in Canada's life. At the termination of this war, unprecedented skill and energy must be directed towards reconstruction, rehabilitation, and serious problems of labor and human welfare. We will be required to take upon ourselves a large share of the responsibilities thus provided. The foundations for the successful performance of these obligations have been skilfully built in us at McDougall Commercial. Through the mediums of social studies, economics, and sociology we have learned the fundamentals of successful association with our fellow men.

We have, indeed, been fortunate in the opportunities afforded us in high school and also those which await us. Let us take full advantage of these opportunities for our own personal satisfaction and the benefit of all men.

Let none of us be fearful of the aspects presented by the post-war world. Let us rather fill our respective positions to the best of our varied abilities. By so doing, and only by so doing, we will justify the trust and confidence placed in us by parents, teachers, friends, and really all the world, who rightly look to this rising generation for great accomplishments.

GEORGE ZIMMER.

THE PRESIDENT SPEAKS

It is with great regret that we finish our last year at Commercial High School, for it is a school of which we can all be proud; it has a reputation to be upheld. It is not only up to those students remaining, but also to those who are leaving, to keep up this reputation. Those now in school can carry on a noble tradition by co-operating in every way with the Students' Union. For those who have left or are leaving I say, "Carry on with that fine spirit that you have shown throughout your years at High School."

Today we are the youth of this great country; tomorrow we will be the rulers, statesmen, and builders of Canada and the world. At no other time have we realized this more than now. With victory well on its way we know that only by a united people, working for one aim, can we secure a lasting peace for all humanity. Let us all keep this in mind so that we can be an example to those who follow in our steps and also be a pride to our elders.

This past year the Students' Executive has striven to make your high school year more happy. We have tried to break up the monotonous days of work. How well we succeeded, only the students know. However, we would like to think that some of our work has been appreciated.

At this point, I would like to give special mention to those students who have been with us this year taking academic work. We are very proud of the way in which you became useful members of the school. I sincerely hope that when you leave this school for another, you will leave it with a feeling of goodwill. I know that I not only express this feeling for myself but for every Commercial student, graduate and under-graduate.

Marvelling at the patience of my principal, Mr. Page, and my teachers, I give them thanks; and a very special thank you to Mr. Garlough, our capable Union adviser. To my fellow graduates I wish every possible success and a full, happy life. And may you always keep this thought in mind:

"A winner never quits; a quitter never wins."

ASBJORG SCORE.

STUDENTS' UNION

Front Row: Jessie McKeever, Eileen Van Kleek, May Busby, Del Hagerman, Asbjorg Score, Rosemarie Theiss, Lois Gardner, June Gould, Edna McWhinnie.
 Second Row: Mr. Garlough, Joyce Baker, Ruby Ford, Margaret Meikle, Shirley Warning, Helga Loehde, Rose Kurtin.
 Back Row: Don Walker, Roy Gilley, Lorne Cawley, Gordon Speers, Roy Sewers, Lawrence Underwood, George Guild, Jim Purvis, Howard Berg.

After the election of officers for the Students' Council, the room representatives got down to work organizing and planning school activities.

Our first activity was the Sadie Hawkins' theatre party on November 10th, held in the Roxy Theatre. After the show, the students re-united at the school for dancing and refreshments. Good attendance was recorded and all who attended enjoyed themselves.

Next on the calendar was the Christmas sock dance on December 15th, called "Kris Kringle's Klomp." Decorations in the gym made us forget we were in the old school and all enjoyed themselves tremendously. Coke and doughnuts were served. Music was supplied by Frank McCleavy's orchestra.

On January 26th the annual sleighride was held. The weather was ideal for this occasion. A large number of students turned out to this event and all thought it was one of the most successful parties ever held at the school. After two hours, the sleighs returned to the school where everyone's attention turned to dancing and refreshments.

Something new in the line of entertainment was tried out by the students on Friday, March 9th, at the Alberta Avenue Community Hall. The evening started off with dancing, after which nearly everybody went upstairs to have a try at "bingo." Hot-dogs and coffee were served for lunch by the efficient refreshment committee.

On Friday, April 13th, the second sock dance was held. "Jinx Jamboree," as it was called, lacked the old school spirit, but nevertheless was a good dance. Decorations on the walls and ceiling helped to bring out the superstitious effect. Frank McCleavy supplied the music and Commercial's standard dish (chocolate milk and doughnuts) was served.

This ended the union activities for the year 1944-45. Next year, we hope to see all our Grade X and XI students back, and to the graduates we wish every success.

GIRLS' SPORTS

GIRLS' BASKETBALL

Front Row: Mae Enipey, Silvia Robertson.

Back Row: Marion Higham, Elvina Hedberg, Del Hagerman, Vera Herbert.

Missing: Edna Roberts, Dorothy Brown.

When the girls interested in basketball look back to the 1944-45 season they will wonder at the number of girls who really cared for basketball. From the small group which attended the meetings, it was possible to select only nine for the regular team.

The first game of the season, against University High, was a hard battle, but Commercial emerged with a one point margin.

At the Basketball Party held at Westglen in March, Commercial girls matched their skill with those of other schools and registered defeat over Eastwood and St. Mary's high schools. This was due to Mr. Hollingsworth's excellent coaching.

In the latter part of the season the girls played a series of house league games.

BOYS' SPORTS

BOYS' BASKETBALL

Front Row: Morris Goorevitch, Howard Berg, Johnny Checholik, Alex. Barnett, William Runka.
Back Row: Gordon Speers, Guy Cubitt, Walter Mason, Gordon Kilburn.

Of the boys at Commercial only a few took an active interest in basketball, which, as usual, was the main sport. A few boys rallying under Mr. Page's leadership, upheld the school's standards. They lost only two games during the season, both to Victoria.

A successful basketball house league was also in operation. About twenty-five boys formed four teams under captains Guy Cubitt, Moe Goorevitch, Walter Mason and Gordon Speers. Guy Cubitt's team, although undefeated in regular play, lost two straight games to Mason's team in the finals. Mason's team was therefore the champion.

HOCKEY

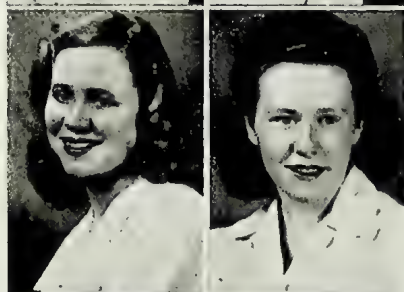

A hockey house league was organized by Mr. Garlough. Rooms 10 and 17 together formed a team, while rooms 13, 14 and 16 were each represented by a team. The teams of rooms 10 and 17 combined and of room 13 were scheduled to play for the championship, but as the ice melted the championship honor was divided between them.

THE GRAD BANQUET

On June 9th, Commercial held its annual Grad Banquet and Dance at the Macdonald Hotel. As usual it proved to be a very successful gathering due to the untiring efforts of the Grad Executive.

The dinner, which was thoroughly satisfying, was followed by the valedictory, several toasts and speeches. The guests then spent an unforgettable evening dancing to the music of Frank McCleavy's orchestra.

Mr. and Mrs. Page and Mr. and Mrs. Hollingsworth graciously extended their patronage.

•

Visitor: "I can't tell you how delighted I am, Mrs. Smith. My son has won a scholarship."

Farmer's Wife: "I can understand just how you feel. I felt the same way when our pig won a blue ribbon at the country fair."

CLUBS

The Bowling club kept up its enthusiasm throughout the whole season and was probably the most successful club in the school. Bowling was held every Tuesday and Friday. Attractive crests were worn by the members.

The Learn-to-Dance club met every Friday after four. After Christmas the date was changed to Thursday. Several new records were bought.

The Drama club did well in providing skits for the "Lits." "The Client," "Don't Play Bingo Tonight, Mother," and the negro acts were very successful.

The Ping-pong and Badminton club met every Monday, Tuesday and Friday, but the lack of equipment curtailed this club's operation.

The Inter-School Christian Fellowship held meetings every Wednesday noon. During the year it sponsored many successful events.

The Hi-Y had a fairly large membership at Commercial. Many parties and dances highlighted their year's work.

"Please tell the court why you hit your husband with a chair," said the judge.

"Because I couldn't lift the table," was the unexpected reply.

Three chaps who were all rather deaf were driving through England when one of them said: "Is this Wembley?" "No," replied the second, "it's Thursday." "So am I," replied the third, "let's stop and have a drink."

A sailor and his girl were out riding in the country on horseback. As they stopped for a rest the two horses rubbed necks affectionately.

"Ah, me," said the sailor, "that's what I'd like to do."

"Well, go ahead," answered the girl, "it's your horse."

Joe: "Do you know what one cigarette said to the other?"

Mike: "No, what?"

Joe: "I hope I don't get lit tonight and make an ash of myself."
